Why CAN'T I shave? or go 2 the rave?
getta tattoo, pierce my belly? - there's this fit bro Dave -
we wanna sleepover 'n have a makeover, we wanna talk
thru the nite - 'n swap all our clothes - so nobody knows
- we *promise* we won't fight -

I'll do my homework as best I can –

but I can't miss Eastenders - I'm their biggest fan!

Eminem 'n Dr Dre will show us the way - which is stg
YOU can't understand !!

'n I want u always 2 be there -
can I sleep in ur bed? will u stroke my forehead?
I feel safe in ur love n ur care

'n if at times I act out like a melodrama queen
u can blame the hormones - I'm just being thirteen!
